Vera Ruth KOCH

God's gift to Vera began with her baptism on 20 May 1923, at South Kilkerran, Yorke Peninsula, the late Pastor CE Hoopmann officiating. A further gift was at the time of her confirmation, also at South Kilkerran on 20 November 1937. This time it was Pastor HW Harnath officiating. Then a further gift of God came on the day of her marriage to Ivan 'Pat' Roll in 1956, with Pastor B Traeger officiating.

Vera was throughout her life a dedicated worshipper first at South Kilkerran, and after her marriage, at Rainbow Vic. Not one to sit back and let others work, Vera served her Lord and her fellow Christians as organist in both congregations and as Sunday School teacher. She also spent 2½ years in domestic service at Concordia College, Adelaide. During her long association with the Lutheran Guild, she held all offices except president.

She also uses her time and abilities in community affairs as well. She was part of the Ladies Auxiliary of the A and P Society. She worked at the Craft Shop and was interested in the Learning Group. She found time also to work with the Mothers' Club at both Primary and Secondary levels, and of course, she regularly visited at the hospital. >

She was indeed a devoted wife, mother and grandmother and her departure from this life will mean a large gap in the family circle. Yet, the memories which remain will serve to sustain the family. The family were able to be together as recently as the Sunday before her death, to worship together, to celebrate Melanie's birthday together and, in a real sense, to say farewells at that time.

Yet, the greatest comfort of all, remains in the Word and Promises of her Lord, who took her graciously to Himself, without pain and suffering some time later on the afternoon of 30 August 1993.
